

Preferred MilitarySM

Rotobrush[®] International LLC

Indoor air pollution is among the top 5 health risks.—EPA

Dirty coils and ducts use as much as 30% more energy than clean ones.—McKinsey Quarterly

65% of U.S. homes are not properly insulated.—Harvard School of Public Health*

*Harvard School of Public Health, Environmental Health: A Global Access Science Source 2003. "Not properly insulated" is defined as not meeting 2000 IECC consensus standards.

†Consult a tax advisor.

Company Profile

Rotobrush, based in the Dallas-Fort Worth area, is a market leader in providing businesses and entrepreneurs with unique opportunities in integrated indoor air quality and energy efficiency services and products. Rotobrush serves both the residential and commercial markets with experts who assess and identify the right turnkey package for each customer's needs. Rotobrush is committed to its customers' success, supporting them with world-class training and marketing and business support. Rotobrush has more than two decades of experience and serves both domestic and international markets.

▶ Indoor Air Quality & Energy Efficiency Service Solutions

Air Duct Cleaning • Duct Sealing • Dryer Vent Cleaning • Insulation • Radiant Barrier

As consumers have become more aware of environmental issues and "going green," the demand for indoor air quality and energy efficiency solutions has grown. With new homeowner tax credits[†], getting into energy efficiency services is smarter than ever. Help consumers save money, while you earn money.

When you partner with Rotobrush, an industry leader, you get everything from equipment to training and marketing support. Rotobrush has helped thousands of people establish successful businesses at an affordable price. Providers can work full or part-time, with one service offering or all of them— it's your choice. It's easy to start and easy on the budget.

▶ Preferred Military

Rotobrush's Preferred Military program extends benefits to veterans and those just coming out of the military, as they transition to a new career. With this program, Rotobrush offers up to 25% off a complete business package and a \$500 travel reimbursement to RotoMastersSM Certified Training with both classroom and hands-on education.

▶ Equipment & Patented Technology

Portable and compact equipment makes it easy to be in business, by yourself, or with a team, and provide quality service. Plus, you get all the accessories and supplies you need.
